

We're Hiring

Position: [Dynamics CRM Consultant](#)

Fieldpoint is growing its CRM practice. We are looking for the right person who has the technical skillset for CRM project implementations and the charisma to build lasting relationships with our clients. The candidate will need to have experience in implementing and configuring Dynamics CRM, SQL server and workflow processes for our customers.

Responsibilities Include:

- Identifying software gaps and suggesting alternatives
- Able to identify risk factors and provide alternatives to mitigate those factors
- Write development specifications
- Test modifications and resolve any issues that arise
- Execute assigned tasks within a project environment
- Provide training and knowledge transfer to clients
- Ensuring customer success and high satisfaction ratings
- Willingness to travel based on customer requirements

Requirements:

- Four-year college diploma or university degree in business, systems design, project management or marketing
- Microsoft Dynamics CRM certification an asset
- Experience with Microsoft GP or any other ERP package.

This is an excellent opportunity for an ambitious, career-oriented individual who wishes to be part of a dynamic and highly successful organization. We offer competitive compensation, bonus opportunities and benefits as well as exceptional career growth potential.

About Fieldpoint:

Fieldpoint Service Applications Inc. is a best-of-breed service management solutions provider for the professional services and field service industries. As a certified CFMP Microsoft Dynamics partner we implement cloud and on-premise CRM with software extensions specific to project management and field service operations.

Location: Oakville/Mississauga border – Avoid the city commute.

Please forward your resume, in confidence, to careers@alertsoftware.com to be considered for this current vacancy. In the subject line please write “Interested in Joining your CRM Practice”. While we thank all candidates for their interest, only those selected for an interview will be contacted.
