

## Market Leader in Service Management CRM Solutions

### *K-12 Education Agency Selects Alert Stratus for Their Facilities Management Solution*

Toronto, ON - June 14, 2013 **Fieldpoint Service Applications Inc.** announced today that it has been selected by a K-12 Education Agency as Service Management CRM software partner. The client's mission is to provide "safe, healthy, efficient, comfortable, energy and resource conscious environments" for their students and staff members. They selected Alert Stratus as their Facilities Management solution. Alert Stratus will manage their "Energy Efficiency Projects" to improve the bottom line by managing costs, reducing their environmental footprint and building stronger relationships with the local community.

"We are ecstatic to have been selected as part of their Green Program initiatives..." says Rich Smart, President of Fieldpoint Service Applications. "Our project management and job costing software solution is flexible and can be used in traditional B2B environments for project planning, resource scheduling and time collection. However, we are seeing more of our customers using the Fieldpoint platform as an internal workforce management solution."

**Alert Stratus** will align the agency's energy goals with their facilities operations by providing:

- Project Management and Job Costing Functionality
- Resource Assignment and Scheduling
- Recurring Preventative Maintenance Schedules
- Work Order Details
- Mobile Time and Expense Capture

### **About Fieldpoint Service Applications Inc.:**

Fieldpoint Service Applications Inc. is a best-of-breed, service management software provider. Our unified project management and field service applications optimize the entire service lifecycle; from the initial project installation to recurring maintenance work. Our web-based tools enable organizations to run leaner, smarter and more profitable businesses.
